Sir:

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicants bring to the attention of the Examiner the documents listed on the attached PTO 1449. This Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits for the above-referenced application.

All of the listed documents are either U.S. patents or U.S. patent application publications. Therefore, pursuant to 37 C.F.R. §1.98(a)(2)(ii), copies of the documents are not enclosed; however, copies will be provided if required. Applicants respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

No fee is believed to be due in connection with the filing of this Supplemental Information Disclosure Statement. However, authorization is hereby given to charge any fee deemed to be due, or credit any overpayment, to our Deposit Account No. 50-2724, reference 093615600009.

Respectfully submitted,

Dated: September 1, 2005
